OCEANIA SERIES

PRODUCT DESCRIPTION

GFRC
Glass-Fiber Reinforced Concrete.
Eco-friendly materials.
Handcrafted for unique textures.

Quick-Detach Knob
Featuring a quick-detach knob, our design allows for easy detachment of the windscreen, facilitating a seamless transition from fire pit to table with lid in less than one minute.

Stainless Steel Burner
The high-quality, heavy-duty unibody burner, with a 3mm Grade 304 stainless steel top panel, is designed to withstand high temperatures and prolonged burning, ensuring sturdy and durable performance.

Adjustable Ignition System
The flame can be adjusted using the push-pull lid to meet varying needs.

Close

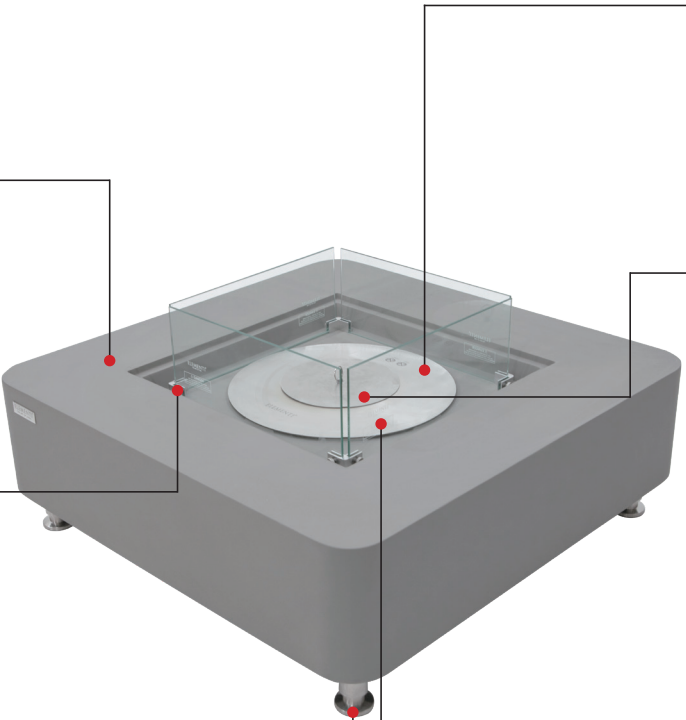

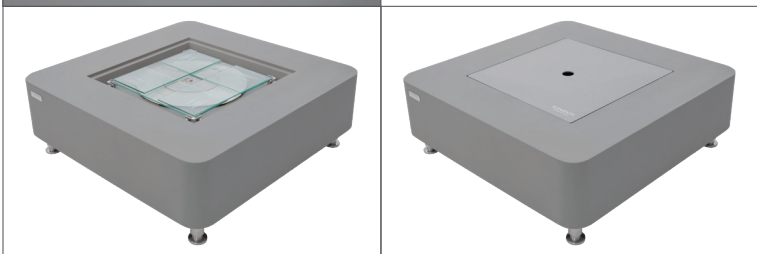

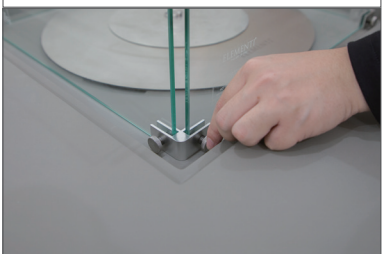

Open

Wind Screen
Shield flames from winds, ensuring steady and safe burning.

Articulating Feet
Made by stainless steel for leveling adjustments.
